LEAGUE'S MOBILE APP INCLUDES ELECTION GUIDE

The League of Women Voters of Florida Education Fund has enhanced its mobile app to include the organization's nonpartisan 2012 Election & Voter Guide. The app now includes information on the presidential and U.S. Senate races, as well as the constitutional amendments and Supreme Court Justices that will appear on the November 6 ballot. Plus, the app offers additional resources to help students exercise their precious right to vote.

The app makes it easy to stay informed. Need to check on or update your voter registration or find your polling location? Prefer to vote early and want to know how and where? The mobile app has all of that information and more.

In addition, the League provides even more information at BeReadytoVote.org or www.VamosAVotar.org, one-stop sites for voter information, including customized county-by-county ballots.
