League Announces Positions on 2010 Ballot Amendments

Florida - September 13, 2010 - The League of Women Voters of Florida today announced the positions it is taking on the Amendments that will appear on the November 2nd ballot.

After extensive research, in conjunction with a comprehensive review of our approved positions, the League has reached consensus on the following constitutional issues on Florida's 2010 ballot:

- Amendment 1 - Oppose**
- Amendment 2 - Oppose**
- Amendment 4 - No Position Taken**
- Amendment 5 - Support**
- Amendment 6 - Support**
- Amendment 8 - No Position Taken**
- Referendum for 2010 Election - Oppose**

An explanation of all of these League positions is posted online at: [League Positions on 2010 Ballot](#).

"In supporting the Fair Districts Amendments, which the League has worked towards for decades, we urge Florida voters to VOTE YES on 5 & 6 to end gerrymandering by creating fair and contiguous representative districts," states Deirdre Macnab, President of the League of Women Voters of Florida. "It's time for

voters to choose their elected officials, instead of elected officials continuing to choose their voters through gerrymandering."

The League of Women Voters of Florida has conducted numerous studies and regularly publishes positions on issues of importance to the voters of Florida. Voters can get more information on League issues and positions can be found in STUDY AND ACTION, available online at www.TheFloridaVoter.org.

The League of Women Voters, a non-partisan political organization, encourages the informed and active participation of citizens in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy. The League is non-partisan and does not support or oppose candidates. Leagues do support issues and legislation but only after careful member study. League members register and mobilize people to vote. Any citizen needing to find their early voting site may log on to the award-winning League of Women Voter's website www.VoteAnywhere.org, or for Spanish-speaking voters to www.VamosaVotar.org.
