Florida Supreme Court Approves Proposed Congressional Map

Tallahassee, Fla. -- "The democratic process prevailed today in a landmark victory for Florida citizens," said **Pamela Goodman**, President of the League of Women Voters of Florida. "In accepting the Congressional map submitted by the plaintiffs, League of Women Voters of Florida and Common Cause of Florida, the mandates for FAIR Districts -- enshrined in our Constitution by 3.1 million voters -- are upheld."

"We are currently reviewing the Supreme Court's final opinion and will release more information later today," Goodman concluded.
